Members of the public

1. To confirm the minutes of the meeting held on 3 May 2016.

The minutes were agreed.

2. Parish Council Annual Report

The Chairman thanked Councillors' for their hard work on a variety of projects the previous year, in particular to BB and RB for their ongoing work around the traffic calming projects. A report was currently being prepared to go with the completed petition and a presentation would be made to parishioners.

3. To Hear and Discuss Matters Raised by Members of the Public

No matters raised.

4. To receive a report from the cricket club.

A report was received from Felthorpe Cricket Club. They advised that through 2016 and 2017 Saturday and Sunday teams had been played; it had not always been possible to play a second team though due to reduced numbers. Reduced numbers were in part caused by the lack of mobile 'phone signal within the parish, as parents were unable to make contact with their children. The first team remained in division one, with the second team gaining promotion out of their current division. The Club Mark status had been received which was recognition of the hard work that had been put in to ensure children aged 8-15 were playing at the club. A portacabin had been purchased which would be used to provide new club facilities.

The PC was thanked for their continuing support of the club.

AE asked whether a storage unit had been purchased for the roller and were advised that it had been. A photograph would be sent to the Clerk to include with the insurance.

In response to a question they advised that there were female players in the junior team.
