

Norwich Northern Distributor Road

Road closures and diversions associated with construction of the A140 Cromer Road/Norwich Northern Distributor Road grade-separated junction.

Drayton Hall Lane – Started 27 Feb, closed to 24 March (four weeks)

Description:

Traffic calming* works including road narrowing and chicanes. Changes at the junction with Reepham Road. Mini-roundabout at the junction with Drayton Lane south. 30mph speed limit. Works being carried out in two phases:

Phase 1 – 27 Feb to 17 March

Hall Lane closed from Reepham Road to Drayton Lane.

Diversion: Drayton Lane (S)

Phase 2 – 20 March to 24 March

Hall Lane closed to Carter Road and Drayton Lane (S) closed.

Diversion: A1067, Fir Covert Rd, Reepham Rd.

(3-way lights at Reepham Road/Holly Lane for up to four days during this period)

**This traffic calming scheme is not part of the main NDR contract and is being delivered separately through Tarmac.*

Drayton Lane (S) – Closed 20 March to 5 May (seven weeks)

Description:

First week closure to construct mini-roundabout at junction with Hall Lane. This week of closure to be utilised for start on Drayton Lane/Reepham Road roundabout.

Last three weeks overlapping with closure of Reepham Road.

Diversion: A1067, Fir Covert Rd, Reepham Rd, or A1067, Boundary Road, Reepham Road.

Holt Road – Closed 3 April to 7 April (one week)

Description:

Completion of B1149 Holt Road/new Drayton Lane roundabout, with surfacing and tie-in.

Diversion: Church Street, A140 Cromer Road, B1149 Holt Road.

NB: Temporary traffic lights morning peak only at Church Street/A140 junction. Temporary two-way traffic lights at Church Street/B1149 Holt Road junction to assist buses and HGVs. Advisory black and yellow signs on B1149 at Cawston roundabout and Shortthorn Road junction.

(PTOI)

(Continued)

Reepham Road – Closed 17 April to 5 May (three weeks)

Description:

Construction of Drayton Lane/Reepham Road roundabout. Drayton Lane (south) will be closed at the same time.

Diversion: Boundary Road (Norwich Ring Road) A1067, Fir Covert Road.

New Drayton Lane – Open from 22 May

Description:

From new roundabout on Holt Road via Drayton Lane/NDR roundabout (no access on to NDR at this stage) to new Reepham Road roundabout and to Drayton Hall Lane.

Holt Road and Holly Lane – Closed south of Horsford from 29 May

Description: To allow construction of the NDR carriageway and A140 Cromer Road junction slip roads. Holt Road and Holly Lane not expected to be used as through routes after this date, since these 'temporary' closures lead up to the permanent rerouting of the B1149, using the new Drayton Lane, and NDR to re-establish the link to the A140 Cromer Road.

Diversion: New Drayton Lane to Reepham Road, crossing Drayton Lane/NDR roundabout.

NB: From late summer, the NDR and A140 junction slip roads provide a route to the A140 Cromer Road. In the meantime Church Street will provide an alternative route to the A140 Cromer Road.

Summary:

Drayton Hall Lane	Started 27 Feb, closed to 24 March (four weeks).
Drayton Lane (S)	Closed 20 March to 5 May (seven weeks).
Holt Road	Closed 3 April to 7 April (one week).
